

IN THE CLAIMS:

The following listing of claims replaces all prior versions and listings of claims in the present application.

Listing of Claims:

Claims 1 to 19 (canceled).

Claim 20 (currently amended): A method for varying a printing length of a press comprising exchanging a sleeve-like cover, the cover including material and walls that define a gap running parallel to an axis of rotation of the cover and at least one recess in an inner circumferential surface of the cover, with a further sleeve-like cover of a different external diameter.

Claims 21 to 45 (canceled).
